Rabbi Michael Fessler
Rabbi Miriam Hyman

To all our new and returning members,

Welcome to another exciting year at B'nai Tikvah. Our plans for strengthening the B'nai Tikvah community are underway! Your elected board and some very dedicated volunteers have been working hard all summer to prepare for the coming year. Attached are the membership forms to be filled out and returned to Art Shapiro. They have been modified from previous years. While completing them, should you have any questions, contact Art at ashapdee@msn.com or (856)740-0081. All returning and new members should complete the forms.

Religious school begins on September 9th. Wendy Marder, the faculty, and the education committee have been working to plan a year of learning and fun for our children. All children are encouraged to attend! Our experienced and caring faculty encourages learning in a warm and welcoming environment. They have designed programs to accommodate children with a vast array of abilities and special needs. Please contact Wendy if you have any questions regarding the school program. She can be contacted at marder18@comcast.net or by phone at (856)589-6550.

As the new president, I am open to ideas for events and ways to enhance our community. We are blessed to have so many newer members. I hope that you will consider volunteering for an event or committee. Please do not wait to be asked to join an event or committee. Let us know if you have a talent or skill that may enhance our programs. I can be reached at nadlergreen@yahoo.com or by phone at (856) 582-3898.

Ivan and I joined B'nai Tikvah 12 years ago. We chose this synagogue because it was close to home and had a warm and inviting atmosphere. When we came to services and new member events, we felt welcomed and part of a larger family. It was very important for us to have a link to our local Jewish community. Once we became parents, the need for a strong religious school and identity with the Jewish community became even more important to us. Please know that our family is glad your family is a part of this community. Together, we can learn, play and pray together. We can do much to strengthen the Jewish presence in Gloucester County.

Shalom,
Jamie Green President,
Congregation B'nai Tikvah
