

Community Participation Form (2009-2010)

B'nai Tikvah is our community. For our community to be successful it is important for all members of the community to participate. **"We need you"** to become involved. Please offer to participate in an event or committee. You can select something that you enjoy and that takes as much or as little time as you can give. It takes 100% of our membership participating to some degree to make B'nai Tikvah a success now and for years to come. Become a volunteer and be a bigger part of our community!
