

Welcome to B'nai Tikvah. We are excited to add new members to our community! Our plans for strengthening the B'nai Tikvah community continue! The elected board and some very dedicated volunteers have been working hard all summer to prepare for the coming year.

If you have any questions about membership, contact our Membership Committee Chairperson, Karen Kurtz, at Karen@sewellcomputer.com or by phone at (856)589-6550. You can also contact her through this web site.

Membership forms (and school forms if needed) must be completed and sent to Art Shapiro. While completing them, should you have any questions, contact Art at ashapdee@msn.com or (856)740-0081.

Religious school begins on September 13th. Our educational director, Wendy Marder, the faculty, and the education committee have been working to plan a year of learning and fun for our children. All children are encouraged to attend! Our experienced and caring faculty, encourage learning in a warm and welcoming environment. They have designed programs to accommodate children with a vast array of abilities and special needs. Please contact Wendy if you have any questions regarding the school program. She can be contacted at marder18@comcast.net or by phone at (856)589-6550.

As president, I am open to ideas for events and ways to enhance our community. We are blessed to have so many newer members. I hope that you will consider volunteering for an event or committee. Please do not wait to be asked to join an event or committee. Let us know if you have a talent or skill that may enhance our programs. My husband and I joined B'nai Tikvah 13 years ago. We chose this synagogue because it was close to home and had a warm and inviting atmosphere. When we came to services and new member events, we felt welcomed and part of a larger family. It was very important for us to have a link to our local Jewish community. Once we became parents, the need for a strong religious school and identity with the Jewish community became even more important to us. Please know that our family is glad your family is a part of this community. Together, we can learn, play and pray together. We can do much to strengthen the Jewish presence in Gloucester County.

Shalom,

Jamie Green
